CAMP PHILOSOPHY AGREEMENT

As a participant in a Christian camp experience, I will try to live according to the stated Philosophy. I recognize that individuals living in a group have a need for discipline so that they may grow in mutual understanding and appreciation.

I recognize that discipline takes many forms and that it is most effective when it comes from the individual. But I also feel that at times some form of external authority may be necessary. I shall attempt to abide by both internal and external authority.

I also understand and agree that the possession and/or use of all drugs including alcoholic beverages, marijuana, hallucinogens and all other drugs, except prescription drugs, and all firearms, knives, explosives and other weapons are prohibited during the entire camping experience – this means from the time of leaving home until returning home.

It is my hope and goal to apply this experience in Christian growth to my life. I further agree that my registration is my commitment to participate in this program.

WAIVER OF LIABILITY

The undersigned participating in the Mid-States Moravian Camp hereby acknowledges the following:

1. That I have read and agree to be bound by the Camp Philosophy Agreement contained in this form.
2. Should my behavior warrant dismissal from the camp, OR IF I BECOME ILL, I agree to arrange immediate transportation for myself/my child and absorb the cost of travel.
3. That I have been advised of the activities to be conducted during the camp and believe myself to be physically and mentally capable of participating in the camp activities.
4. That I understand the building and grounds to be suitable for the activities to be conducted.

The undersigned further acknowledges that this camp is put on as a Christian learning and recreational activity for campers and is not a profit-making activity. I will not hold the camp staff or campgrounds liable for damage for injuries suffered by myself during camp.

I have read the "Camp Philosophy Agreement" and "Waiver of Liability" as printed and signed as my agreement with both statements. I will not hold the camp staff or campgrounds liable for damage for injuries suffered by myself/my child during camp.
